

Lunch Order Policy

Dear Parent,

According to our Tuition Agreement, “You may provide your child’s lunch daily, or you may purchase well-rounded catered lunches. All lunch orders must be submitted monthly via our online order form, located at [TenderYearsPA.com](https://www.tenderyears.com). Orders will be accepted between the FIRST MONDAY and the THIRD FRIDAY of each month, for the following month’s lunches. For your convenience, we send out regular reminders via email.”

In the past, we have reminded families individually and allowed them to order after our online window has closed by submitting paper forms. For the 2019-2020 school year, we will *only* be reminding families through email, Tadpoles, and a reminder sign in the lobby. We will no longer accept orders through paper forms. If you miss the window to order online, you will need to provide your child’s lunch daily for that month.

If you are not receiving our emails, please first check your spam folder, and let the office know so we can make sure you are on our parent email list. If you have any questions, please stop in and see the Director or Assistant Director.

Thank you! And once more, the link to our lunch order page is... <https://www.tenderyears.com/lunch-order/>
