

Dear Parent,

The PA Department of Human Services now requires child care centers to collect documentation of flu shots for each child attending child care each school year. If a child is not receiving a flu shot, PA Department of Human Services requires child care centers to collect a signed document by parents stating their child will not receive a flu shot. Please complete the information below for the 2019-20 school year and return to your center director.

Parent Name: _____

Child's Name: _____ Child's DOB: _____

My child will receive a flu shot during the month of _____.

(I understand I will need to provide documentation from my child's pediatrician following this appointment.)

My child will NOT receive a flu shot during the school year, because...
