

Notice: Flu Shot Information Due

You indicated on your Fall Enrollment Paperwork that your child, _____, would be receiving a flu shot during the month of _____.

The PA Department of Human Services now requires child care centers to collect documentation of flu shots for each child attending child care each school year. If a child is not receiving a flu shot, DHS requires child care centers to collect a signed document by parents stating their child will not receive a flu shot.

If your child received their flu shot as scheduled, please provide documentation from your child's pediatrician to the office as soon as possible.

If your child's flu shot schedule has changed – or they will no longer be receiving one, please complete the information below and return to the office as soon as possible.
