

COVID-19 Policies

Dear Parent,

While the COVID-19 pandemic has caused considerable confusion and disruption to our daily lives, we at Tender Years have been working hard to ensure the health and safety of our students, staff, and the families we serve. As part of this effort, we have implemented a range of policies and procedures based on guidelines from the Centers for Disease Control (CDC) and the Pennsylvania Department of Human Services (DHS).

For your convenience, you can find the latest information regarding our policies and procedures at...

<https://www.tenderyears.com/covid19/>

ALL visitors to our centers (including staff members, students, parents and all other visitors) are required to comply with the policies and procedures set forth on this page. Furthermore, because the situation presented by the pandemic is fluid, our policies and procedures could change at any time without notice. Therefore, we ask that you periodically check the page for important updates.

If you have questions or concerns, please contact your center director.

Thank you in advance for your cooperation as we strive to provide the safest environment for you and your family!
