PRESCHOOL Classroom Information

Welcome to Preschool!

Dear Parent,

Welcome to the Jungle Cubs room! My name is Meeta Malik and I will be one of your child's teachers.

In our classroom, we'll work to help your child develop their social and emotional skills. Together, we will also work to learn our letters, numbers, colors, and shapes.

I joined the Tender Years in November 2017 after working for over twelve years as a lead preschool teacher (3-5 years old) at the East Shore Montessori School in Harrisburg, Pa. I am a Montessori certified teacher and am enthusiastic about using the philosophy on a daily basis. The simplicity, the joy of accomplishment and the social interactions are things that I enjoy and appreciate about this age group. Nurturing the love for learning is my primary goal as a teacher.

I have been in the Mechanicsburg area with my family since 2009. I have two daughters, Aria, a sophomore in high school and Jia, a fifth grader.

I look forward to getting to know you and your child. Please feel free to contact me with any questions or concerns you may have while your child is enrolled in my classroom.

Sincerely,

Meeta Malik

Welcome to Preschool!

Dear Parent,

Welcome to the Jungle Cub classroom. My name is Amanda Heisey and I am looking forward to being your child's preschool teacher. I cannot wait to experience this new chapter with you as your child transitions into preschool.

I first joined the Tender Years family in January of 2011 at the Hershey location. During my time at the Hershey location I worked in the nursery and was the lead preschool teacher. I took some time away from Tender Years to work at a local school district. In August of 2019, I rejoined the Tender Years family here at the Mechanicsburg location. I am excited for a great school year.

I have my Bachelor Degree in Early Childhood Education and Special Education from Millersville University. I also have my Master's Degree in Art with a focus on Reading at the Elementary level. I am looking forward to getting to know both you and your child. If you have any questions, comments, or concerns please do not hesitate to reach out. I want nothing more than your child to be successful and to have a great school year

Sincerely,

Miss Amanda Heisey

Helping You Get Settled In

Arrival and Pick-Up

Tender Years, Inc. is using a secure app called Tadpoles. This is a simple way to log your child in and out of school. You will simply sign your child in on the iPad in the lobby as soon as you enter the building. You and anyone else authorized to pick up your child will be given a 4 digit pin and with just one swipe your child will be in our system for that day. At the end of the day you will follow the same procedure to sign your child out. At the time of sign out your child's care sheet will automatically be sent to your email. This app will also alert us when your child is due for a Well Child Physical and/or immunizations. We will notify you in order to collect the proper paper work for your child's file.

House Shoes (Mechanicsburg Center Only)

In an effort to decrease the amount of dirt that is tracked into classrooms, we require all students to use a pair of house shoes. House shoes can be slippers, sneakers or crocs. We ask that all house shoes have a sole on the bottom in the event that we would need to leave the building unexpectedly. Along with the children's use of house shoes, we also ask that all adults remove their shoes or put on shoe covers prior to entering the classroom.

Refrigerators

There are refrigerators in every classroom. If your child has something that must be kept cold, please label this item and place it in the classroom refrigerator. Unfortunately, our refrigerators are not large enough to hold all students' lunch boxes, so please remove items from your child's lunch box before placing them in the refrigerator. Lunch boxes can be left in your child's cubby or on a shelf designated by the teachers.

Pickups by Relatives, etc.

If someone other than a parent is picking up your child, please let the teachers know in advance. We will always check the ID of the person picking up your child, as well as the emergency contact form, to be sure that you have given permission for your child to be released to that individual. If a situation arises where another party (who is not on the emergency contact form) needs to pick up your child, please see an office staff member to fill out a "Permission to Release Your Child" form.

Daily Contact and Communication

To communicate with parents, each classroom has an iPad with specialized management & communication software called Tadpoles. If you would like to receive daily communications via text message or email, including photos from your child's teacher, please be sure to complete the email and phone section of your Emergency Contact form. You will then be assigned a four digit code, which will allow you to clock your child in and out of the center daily from the main iPad, located in the front lobby. Parents are required by DHS to clock in and out of the center daily.

Tadpoles is meant to be a two way communication system for parents and teachers, providing a convenient way to relay basic information and/or updates on a child. (Example: "John did not sleep well last night. Please let me know how his morning is going."). Please download the Tadpoles parent app onto your smart phone and feel free to choose the settings that best suit your needs.

All children enrolled at Tender Years, Inc. will receive daily updates via our Tadpoles system. These daily reports will tell you when your child was changed or used the bathroom, when and how much they ate, their nap schedule for that day, daily lesson plans and activities, and other pertinent information. At the end of the day, when your child is checked out, a complete daily sheet will be sent to your email address.

Additionally, please feel free to call the center at any time to check in on your child. If your child going to be absent, please let us know by marking your child absent or on vacation in the Tadpoles app. If your child is diagnosed with an illness, please let us know by marking your child ill in the Tadpoles app and sending us a note with any pertinent information. Per Department of Human Services we must post any illnesses that are in your child's classroom.

Open Door Policy

Tender Years has an open door policy, which means you may come in to visit your child at any point, unannounced. If you would like to come have lunch with your child, observe them in the classroom or just check in to say hello, you are more than welcome.

Toys from Home

Tender Years provides all of the classroom toys, activities and art supplies that are needed throughout the day. Bringing toys from home is prohibited. However, your child may bring a quiet stuffed toy to lay with during nap/quiet time. This policy has been put in place to ensure that your child's personal items are not lost or broken.

Snacks/Celebrations

Snack time will occur daily after your child's nap/rest period. Snack will be brought in by parents on a rotating bases. We ask that all snacks are store-bought and in a sealed package. Your child's teacher will send home a snack calendar monthly. You may also bring in a special snack for your child's birthday! Lesson plans are created by each teacher individually. The lesson plans follow PA State standards and are designed to meet the needs of every child. Lesson plans follow a weekly theme. For example: If children are showing an interest in bugs, the teacher will base a weekly lesson plan around this. Lesson plans also reflect the seasons and holidays. Once you are in our Academy Program (Preschool, Pre-K, K-Readiness and Kindergarten Enrichment) your child will also participate in extracurricular activities such as music or science. These extra classes are taught by professionals on a weekly basis (and monthly basis for science).

Outside Play

It is a Department of Human Services regulation that all children go outside at least 2 times per day, weather permitting. We will go outside for 30 minutes in the morning and 30 minutes in the afternoon. Outside play time consists of playing on the playground, taking walks to nearby parks, drawing with sidewalk chalk, bike riding, etc. While outdoors, sneakers must be worn. No sandals or crocs are allowed on the playground.

Fall/Winter: We will go outside if the temperature is 27 degrees or above. We will stay inside if the temperature is below 27 degrees or if there is any precipitation or snow on the ground (we follow the "feels like" temperature).

Spring/Summer: We will go outside if the temperature is 90 degrees or below. We will stay inside if the temperature is above 90 degrees and/or there is a heat or air advisory (we follow the "feels like" temperature).

Tender Years, Inc. Behavior Plan

At Tender Years, we believe that every child should be treated with respect and dignity. We have put a discipline policy in place to ensure consistency among all classrooms. We use techniques such as . . .

Calming Corner

In some situations removing a child from a group may be required. In this case, we calmly remove the child with as little disruption as possible, state the violated behavior, and place the child where visual supervision can be maintained. Children should never be placed or set in a corner, hallway or any other humiliating situations. If a child is removed from the group, it will be for a short period of time where they will be redirected to another play area or activity (puzzle, book, etc).

Negotiation Station

Negotiation Station is a great place for children to go when they are having a conflict with another child, teacher or themselves. Negotiation Station is a calm, peaceful area in the classroom (usually with a small table, pillows, books about emotions, pictures of different emotions, puppets, etc.) where children can talk about the problem and come up with a solution. Teachers are often involved in the Negotiation Station but encourage and teach children ways to solve problems on their own.

**According to the Pennsylvania Department of Human Services (DHS)...*

No child will be punished by corporal punishment or verbal abuse. Please keep in mind, this policy also applies to parents. Children may not be spanked or threatened to be spanked at the child care center. The following behaviors are prohibited (by ALL persons) in ALL child care settings:

- Corporal punishment, including hitting, spanking, swatting, beating, shaking, pinching, and other measures intended to induce physical pain or fear;*
- Threatened or actual withdrawal of food, rest or use of the bathroom;*
- Abusive or profane language;*
- Any form of public or private humiliation, including threats of physical punishment;*
- Any form of emotional abuse, including shaming, rejecting, terrorizing or isolating a child.*
